

# MG Als Weekend

24 - 26 June 2022

## MG Als Weekend June 24-26 2022

The International MG Weekend will again this year be a 3 day event, but the place is new!

This year, it will be held at the Mommark Handelskostskole (Mommark School of Commerce) which is close to the old Mommark ferry terminal on the east coast of Als. The place offers all the facilities we need and nice rooms can be offered to everyone - even with children!

We hope again this year to see a lot of children.

### NOTE!

**Unfortunately dogs are not allowed at Mommark Handskostskole!**

If you prefer camping during the weekend, we have 350m from Mommark Handelskostskole reserved an area at Mommark Marina Camping for MG Als Weekend.

Contact yourself Mommark Marina regarding reservation: tel + 45 74 40 77 00

### NOTE!

**Caravans and mobile homes are also referred to Mommark Marina Camping!**

MG Als Weekend opens Friday afternoon at. 16, and an "Open air barbecue" will be arranged.

**NEW NEW !! - NOTE!!!! Friday's barbecue is included in the fee this year**

You can bring your own drinks for Friday night or they can be purchased on site.

We again expect participants from abroad this year, so there will be the opportunity to see old friends from here as well as make new contacts.

## **Saturday we have the MG Als Rally.**

This year, we plan to start Saturday's MG Als Rally from Mommark Handelskostskole and run 2 routes from south to north on Als during the day. This time we will come to Nordals and experience the old lakes Oldenor and Mjels Sø which have been artificially drained for 100 years. They can now be enjoyed again after the pumps has been stopped. Nordals has got a whole new look that the participants can enjoy. There is a lunch break midway.

The MG Als Rally ends at the Mommark Handelskostskole where there is dinner in the evening.

**NOTE !;** It is not allowed to bring your own drinks for the dinner Saturday night!

On Sunday there is MG Sport with mini driving tests of the type, where everyone can join in their daily car without a helmet and special equipment. The test tracks are approx. 500m from Mommark Handelskostskole.

The day ends with lunch at Mommark Handskostskole.

Breakfast is served at Mommark Handelskostskole Saturday and Sunday

A weekend to look forward to - it will be really fun again - You will be challenged, saturated and sporty, we hope you endure for all 3 days.

**See you on Als  
MG Als Committee.**
