MG Als Weekend

26. – 28. June 2026

Again, this year the international MG Als Weekend is a 3-day event.

It takes place at the Mommark Handelskostskole, which is located near the old ferry of Mommark on the east coast of Als. The venue has all the necessary facilities and offers nice rooms for everyone - including children! We hope to see a lot of children again this year.

ACTIVITIES

The MG Als Run

is a family rally.

MG Als Sightseeing

is a non-competitive tour featuring visits to local attractions.

Dinner at Mommark Handelskostskole in the evening.

Rocker Cover Race

This is a very fun and exciting competition that essentially involves exploiting the law of gravity to the utmost with a mobile valve cover from an MG engine. The race takes place on a 'standardised' ramp as described in international rules.

If no one crosses the finish line, the one who gets the furthest wins.

The winning cars will immediately advance to the next round until all but one are eliminated.

PLEASE NOTE Drinks may not be brought to dinner. Dogs are not allowed in the dining room.

Gymkhana and Mini Driving Test

Gymkhana is car gymnastics with one car and two people between pylons and mini driving tests in which anyone can take part in their everyday car without a helmet or special equipment. The test tracks are located about 500 metres from Mommark Handelskostskole.

The day ends with lunch at Mommark Handelskostskole.

Look forward to it - it will be a lot of fun again - you will be challenged, full and maybe a bit sporty, we hope you can last all 3 days.

See you there.
